

Tales from the Tent

A Spring Storytelling Weekend

With Giles Barrow & Sue Eusden

Suffolk
April 2025

Following on from our first partnership sharing stories, *Walking with Women*, we are offering a second opportunity to gather around the fire and sink into old tales. We're not quite sure which stories will turn up right now, though we have a hunch that wild twins might appear, a firebird feather could land at our feet or a bear shows up. We'll meet in the tent in the field, Sue will spin wool with the tales whilst Giles fans the fire with wordage and with a combination of wishful blessings and open hearts the stories might have their way with us all over again.

Practically speaking come prepared for spending time outdoors and making yourself comfortable for indoors. You're welcome to sleep over in the yurt, or camp on-site. Places will be limited so please let us know soon if you are interested.
